WELCOMES

O. E. S. GRAND
CHAPTER LIBRARY

To Affiliates

It makes us feel almost as though we are at a house warming party. This is your new fraternal home and we are all your friends, bringing gifts of Fidelity, Constancy, Loyalty, Faith and Love, just the things to give you a good start in a new home.

On (give date of your meeting night) of every month we will all be here to visit with you again, so we'll be seeing you.

To Affiliates:

Each chapter is like a book bound with the strong covers of tradition. New pages are being constantly added. Sometimes there are special pages with edges of gold. These are our affiliates. Our affiliate pages have been printed and filed, sometimes for years, in other books and some of these pages have even headed a complete chapter. (One was a Past Matron.)

When they are transferred to the book of Chapter, they become part of a beautiful story that goes on and on. This is the story of Chapter.

May the page you are on glow with everlasting friendship and give you a deep satisfaction in working for the good of our order.
