Dear Genevieve:

We shall never forget what you've done through these years.  
With your good sound advice and your words of good cheer;  
Not only our thanks at this time would we give  
But, we ask God to bless you as long as you live.

GOLDEN ANNIVERSARY SESSION OF THE WOLVERINE DIST. ASSO.

When 50 years have passed away  
Fond memories linger near,  
Of all the faithful ones who served  
Our association year by year;  
And it has meant so much to us  
To follow day by day.  
The pathway these dear ones have trod,  
And paved for us the way;  
And as we celebrate today,  
Our eyes are dim with tears,  
In memory of those gone before,  
Through 50 golden years.

We celebrate these 50 years  
Rememb'ring by gone days,  
When all past members served us well,  
For which we give them praise;  
These 50 years, these 50 years,  
Have all been filled with love,  
And for each service we've received,  
Rich blessings from above.
