to our Lucc. Patrons
Twenty-five Year Members
Of you we're very proud
Your praises we will sing
In triumph, long and loud.

You represent the principles
For which our order stands
Years of faithful loyalty
And love that understands.

All honor now to you is given
For faithful service done
Both high esteem and gratitude
From us you've surely won.

Much joy and many friendships
Have been your great reward
But now in appreciation
We give you this award

It's more than paper words and a gesture
It's a prayer for God's blessing too,
And it's a hearty heartfelt thanks
And love that we're giving you.

(We gave each member a certificate).
