Ceremony for District Instructor

\$64,000 Question

Music of "Futurama" singers:- Malta Chapter - Malta Chapter.

Reader: Welcome everyone to Malta Chapter's
\$64,000 Question. Now here's the man everyone knows, the Hal March of Malta
Chapter - Brother (X)

Brother X: - Hi everyone and welcome to the \$64,000 question. Now coming back for the
Third year we have Mrs. Virginia Jones, Malta's guest for the \$64,000 Question.

Sister Virginia, we have enjoyed having you with us these last three years and
you have made the "futurama" of Malta Chapter look very rosy indeed. Your
category has been the ritualistic work of the Order of the Eastern Star. After
last year's questions were answered correctly you were given many new additions
to the ritual which most likely have helped you very much in your study of
Eastern Star work. We also told you that you could bring along a friend to
stand at your side and give you assistance when needed. We now welcome your
friend, Conductress Betty Fry, who is here to help you. Now comes the time
we have all been waiting for. You have passed the \$32,000 plateau and now do
you wish to go on for the \$64,000. (Answer "I do")

You will now step into the booth and I will repeat the question twice after
which you will have thirty seconds to think it over before answering. For
\$64,000 - What furnishes you with that extra drive that really takes you places
and helps you to be such a wonderful District Instructor? (Conductress
whispers "vitamin O. E. S.")

Oh, I'm sorry - the answer is Ed Y. Jones, but we have a wonderful consolation
prize for you. Here is Ed Y. Jones in person with a brand new Cadillac
convertible just for you. (Toy car with Gift (money) attached.)

Virginia was then taken up on the dais and quartet sang the following to the tune of

"Come Josephine in my flying machine"

(This ceremony took place in the northeast
corner of the chapter room.)

Virginia Jones has a car of her own
So away she'll go -- driving slow
At Chapters around she can always be found
She's at school you know
Keeping things just so.
She knows her work, no one's better
She'll help you out if you'll let her
Her only lack was a car to get back
To her Malta Chapter Home.

This ceremony was used March 1956
in Malta Chapter, Cedar Rapids.
