**DEAR PA**

*Father's Day Program*

Instructions: Write or type each message on a 3x5 in. card.

**FIRST OFFICER**

It is a privilege to observe Father's Day in our Lodge. These fathers are so popular that a sack of fan mail has been sent to us to be distributed to them tonight. Sister __________, please distribute the mail.

*An envelope containing a card is given to each father.*

**FIRST OFFICER**

After cards are distributed.

Fathers, we want you to share the Father's Day greetings with us. I shall ask each of you to stand and read every word that is on your card.

**MESSAGES**

Dear Pa,

You say cigarette ashes keep the moths out of rugs, but we do not have a rug on the porch floor.

Happy Father's Day, Ma

Dear Pa,

I heard you tell a friend how many pretty girls you saw at the beach, but you did not tell how many of them really saw you.

Happy Father's Day, Ma

Dear Pa,

A man was here to test the soil in the yard. It was cooler in the house so he tested the dirt in the dining room that you brought in on your feet at lunch time.

Happy Father's Day, Ma

Dear Pa,

The directions on that paint you bought for the back porch say it should be used within three years after date of purchase. Time is up next week.

Happy Father's Day, Ma

Dear Pa,

When we were courting, you always opened the door and helped me into the car. It jars me now when you start driving before I can close the door.

Happy Father's Day, Ma
Dear Pa,
I was proud of you at the banquet, but you really should try to stop drinking your coffee from the saucer.

Happy Father's Day,
Ma

Dear Pa,
When I picked up the Sunday paper, I found four pages together. That was a big improvement over last week.

Happy Father's Day,
Ma

Dear Pa,
When you have the time, I'll be glad to show you how to put the cap on a tube of toothpaste.

Happy Father's Day,
Ma

Dear Pa,
We used to share and share alike. We still share, but my share gets smaller every year.

Happy Father's Day,
Ma

Dear Pa,
Don't forget that I like to step into a clean bath tub, too.

Happy Father's Day,
Ma

Dear Pa,
Don't tell Junior how fast you can cut the grass. Show him.

Happy Father's Day,
Ma

Dear Pa,
Whitman once made the best candy and put it in the prettiest boxes, or, at least that was my opinion. Has that company gone out of business?

Happy Father's Day,
Ma

Dear Pa,
Junior asked today if you were better when you were a little boy than he is. Do you want to answer, or shall I send him to your mother?

Happy Father's Day,
Ma

Dear Pa,
The Camion Towel Company, I am sure, would agree with me that towels look better if you bathe before drying.

Happy Father's Day,
Ma

Dear Pa,
It is O.K. for you to put your soiled clothes hi the laundry basket. I read the directions again today, and they read, "For use by both men and women."

Happy Father's Day,
Dear Pa,
Those shoes you could not find are in the living room where you left them last night.

Happy Father's Day,
Ma

Dear Pa,
You think the only time I used good judgment was when I married you.

Happy Father's Day,
Ma

SECOND OFFICER

Asks all fathers to stand.

Dear Pa, we've had a lot of fun
At your expense, tonight.
We've made a few suggestions
To bring some facts to light.

You might be thin or very stout —
Perhaps a little gray,
But all in all, we tip our hats
To you on Father's Day,

And in our prayers we always say,
"Dear God, watch over Pa."
And thus we close this little note,
With love to you, from Ma.
