CHAPTER LIBRARY**

"IN HIS NAME" Ceremony

BIBLE closed

Worthy Matron:

"IN HIS NAME" we meet tonight
Looking for some unknown sign
Hoping we may bring to light
Word of Him we call Divine.

Angels watch us as we pray
Pointing to the Star above
Guiding us along the way
We'll find Him thru Faith and Love.

Soft music - reverent Lights go down.

All girls in ceremony in white. One girl comes in South door carrying cross - walks down South marching line to East - over to place in front of W.M. and W.P. faces West Spot light on her all the way.

Six girls with lilies come from each door in the back of the Chapter room - march East and form a V with Cross as center. All twelve face in holding lilies (one hand holds stem, the other hand holds flower flat across at waist.)

A girl comes in the North door holding open bible and walks East and kneels in front of Cross.

Solo: "The Lord's Prayer"

After solo the girl holding the bible will step to the side of the person holding the Cross. The six girls on each side will form an aisle (see diagram) holding their lilies overhead to form an arch. Appropriate music to be played throughout these changes and while membership passes through the aisle to deposit their money for this cause.

When announcement is made to take up the offering the Conductresses will lead - walking through the aisle formed by the six girls on each side - carrying containers to receive the offering. When they have passed through they will face West holding containers in which the members will deposit their money. The Worthy Matron and Worthy Patron will go to the West - thus lead the membership from the west marching East - pass thru the two aisles to bring their offering. Appropriate music being played during all this time.
