"WALK IN LOVE"

Installation ceremony.

Malta Chapter,  
1955.  
Kathryn Peterson

This ceremony was planned on the Cup of Electa's station and the table decorations for the dinner all carried out that theme.

Ceremony was presented at the close of Installation.

Thirty girls dressed in white - each carrying 12" white candle in red heart holders formed a cup around the labyrinth and the Soloist sang Tune: "Love Walked In". When they were in position the daughter of the newly installed Worthy Matron dressed in white formal, carrying a silver cup filled with red roses walked through the north door, to a position behind the altar as per diagram.

Song: Love walked right in and made our Chapter room bright  
Love walked right in and brought our happiest night  
Each magic moment made our hearts skip a beat  
You all looked so sweet.  
Heaven must be just like this.  
One look and we forgot the joys of the past  
One look and we could see our future at last  
One look and we had found a world completely new  
When Love walked in with you.

At the end of the solo, the daughter walked up to the East and said the following words and then gave her mother the Cup filled with red roses.

Love is the greatest thing on earth  
God said, "Love one Another"  
And everytime Love comes to mind  
We always think of Mother.

This cup is filled with love for you  
And happiness and cheer  
And courage, truth and loyalty  
To help you thru your year.

The daughter walked to seat reserved for her and the escorts retired from the Chapter room.

Appropriate music as escorts retired.
