Group C No. 19. Thanks For Installation.

This has indeed been a lovely evening and I have enjoyed it so very, very much. I realize that you have been very busy planning and preparing for this occasion. We always look forward to our Installation as one of the enjoyable events in our lives, and this one has been made doubly so because of the careful planning and beautiful arrangement. I will always think of it as one of the highlights of the year, and with such loyal friends to help me, I feel that I will not falter or be afraid, but will press forward to give my best in service to the Order we love. I thank you sincerely for all that you have done, and I trust that the same spirit of loyalty and cooperation that you have shown this evening will be present through all the coming year, and I feel sure that it will. My success as a Worthy Matron depends not upon myself alone, but upon the faithful service of every officer and every member, and after such a beautiful installation, I feel sure that you will each be ready to do your part. Again I thank you.
