WELCOME SONG
Tune: "Let Me Call You Sweetheart"

Welcome to our chapter
There's a place for you
We'll have fun together
Eastern Stars all do;
Each Star Point has taught you
Lessons you should know
Learn them well and help us
Make our Order grow!
(Michigan)

WELCOME

Within this room of friendships grace
Fraternity does find its place;
Here justice rules and wisdom guides,
And happiness and love abides.
We welcome you this joyous day,
Dear friends who tread the starry way.
(Michigan)

GREETINGS

It is a real pleasure to welcome each of you to our Spring Session.
"We meet today on common ground
Old friendships to renew
While hearts grow glad
And hand meets hand
In greetings warm and true."
(Michigan)
