LYRICS TO A COUPLE OF SONGS FOR SPECIAL PRESENTATIONS

Both of these were used in Lisbon Chapter No. 490 in presenting the District Instructor. Words composed by Charlene Griffiths, Secretary, Lisbon Chapter.

Tune: "FIVE FOOT TWO"

Lesson One, Lesson two, the Lessons that we had to do
We wonder if we've done them right.
Virginia we thought of you and how you wanted us to do
We hope you're pleased with us tonight.
We all agree that we have tried to do our best
We also know tonight's the night that we must take our final test
On Lesson one, Lesson Two, and if we fail we'll all be blue
But teacher we will still love you.

Tune: "YOU, YOU, YOU"

You, You, You, we're in love with you, You, You,
Hope you love us too, too, too, Just as much as we love you.
You're the District Instructor, glad you could be here tonight
Rainbow too, would live to have you visit Assemble some night
You, You, You, we're in love with you, you, you,
Hope you love us too, please do just as much as we love you.

On the two different occasions, the girls formed a double line in the Northeast and sang the song to the Instructor, then opened an aisle for her to be escorted to the East.
