“I cannot say and I will not say, That they are dead; they are just away;
With submissive smile and wave of the hand, They have entered into that Better Land.
And let us, thinking how very fair, It needs must be, since they linger there;
And you, oh you, who so fondly yearn, For the welcome step and the glad return,
Think of them living on as dear, In the land of There as the land of here.”
